

Gender mo Protection Checklist | Disaster Preparedness

From wanem nao gender mo social inclusion, mo protection I important long disaster preparedness?

- Natural disaster I affectem yumi long ol different way. Hemi affectem yumi long social structure, kastom mo ol roles . From olgeta samting ia no semak long ol ples blong yumi, imekem se yumi no affected semak. Samfala effect hemi mo nogud mo long samples bitem long nara ples. Hem i mean se olgeta woman, gel, boy mo olgeta wetem disability oli affected long different way.
- Sappose yumi gat gudfala preparation lo ples bifo wan disaster ikam, bae komuniti hemi safe, igat respect mo security long wanwan laef hemi save stap oltaem. Lo fasion ia, isave gat prevention lo exploitation, abuse, violence mo injury.
- Record blong past disaster hemi showem se taem komuniti hemi no gat plan mo inogat wareness lo ol plan ia, taem disaster hemi kam, I bin gat fulap problem, mo plente pipol oli kassem kil mo dead mo samfala oli suffer tumas. Hem i important tumas blong includem olgeta wetem disability mo olgeta wetem nara special nid long ol awareness program blong disaster response.
- Taem yumi includem olgeta woman, pikinini, youth mo pipol wetem disaster preparation hem i helpem whole komuniti blong plan mo buildem resilience samtaem.

Setemap Komuniti Disaster Committee

- Step 1 |** Makem sua se ol woman, gel, boe mo pipol wetem disability oli mas aware mo tekem part lo discussion long plan blong setemap komuniti disaster committee. Mekem sua se olgeta tu oli mas involve lo disaster committee.
- Bambae hemi mo hard blong woman, gel, boe, mo pipol wetem disability oli involv long disaster committee sappose oli no bin stap fastem long ol plan mo discussion blong setemap komuniti disaster committee.
 - Distributem olgeta information fastem long olgeta komuniti abaot CDC, through long olgeta network mo mekem sua se everi haos oli gat information. Sappose no olgeta pipol ia woman, gel, boe mo ol pipol wetem disability bambae oli no save defendem olgeta lo powa blo ol man lo leadership position long komuniti. Mekem sua se ol woman, gel, boe mo pipol wetem disability oli mas stap long Disaster Committee.
 - Mekem sua ol woman, pikinini mo pipol wetem disability oli save abaot wok blong CDC bifo selection I tekem place.
- Step 2 |** Mekem sua I gat equal namba lo woman mo man we oli represented long CDS.
- Recruitem equal namba blong woman mo man, gel mo boe long CDC, hemi save helpem woman blong hemi gat confidence mo hemi save voisem concern blong olgeta issues we I affectem woman mo pikinini.
 - Mekem sua se I gat woman mo man long executive memba blong komiti.
- Step 3 |** Mekem sua se olgeta memba long CDC oli mas participate equally long ol miting.
- Providem information mo training blong ol memba long ol way blong participate mo contribute long ol miting blong CDC.
 - Hem i important se ol woman mo man oli save importance mo ol benefit blong equal participation long ol CDC; e.g. taem I gat equal participation hemi save faenem aot ol olgeta different risk or problem we I affectem ol different memba blong komuniti motu I save help blong understan se wanem nao komuniti I save mekem fastem blong helpem olgeta fastem.
 - Evri responsibility blong everiwan blong mekem sua se I gat equal participation ol taem long ol wok blo CDC.

Development blong Komuniti Disaster Plan

- Step 1 |** Involvem ol woman, gel mo boe, motu ol pipol wetem disability long taem blong developem Komuniti Disaster Plan(CDP/KDP).
- Pipol oli affected long olgeta different way. Woman, gel, boe, mo pipol wetem disability hemi mas involve mo represented long komuniti disaster plan, from lukluk blong olgeta hemi no semak long normal pipol. Mekem sua se oli represented lo disaster preparedness.
 - Sappose olgeta woman, gel, boe mo pipol wetem disability oli stap involve mo participate long ol plan, bambae oli save access olgeta sapport wei isave benefitem olgeta.
- Step 2 |** Komuniti Communication Plan.
- Afta we wan CDP hemi develop, plan blong hemi ishud kassem evriwan long komuniti. I no mas rijem olgeta lida blong komuniti nomo.
 - I shud gat separate miting blong ol woman mo pikinini blong discusse olgeta issue blong CDP. Sappose olgeta oli no save attendem ol nara komuniti miting.
 - Awareness lo haos to haos hemi shud stap long ples we woman, pikinini mo pipol wetem special nid oli save attendem miting. Ol taem mekem sua se I gat active mo equal participation.
- Step 3 |** Mekem sua ol woman oli mas holdem samfala key part long ol plan.
- Choosem samfala part long plan blong woman hemi lukaotem mo gat ownership mo accountability long hemi.
 - Faenem aot mo givem responsibility long grup mo lo wanwan person we I save long wok. Long way ia plan I save kassem or rijim ol different, different pipol long ol komuniti.

Raisem Awareness long komuniti

- Step 1 |** Taem selectem awareness material, mekem sua se hemi istret long context blong komuniti.
- Stamba toktok blong communication mo Infomasen hemi abaot disaster preparedness(stanby from disaster ikam). Usem ol different way blong communicate(olsem radio, posta, nuisleta, television mo loud speaker blong everiwan I gat janis mo kassem information(e.g olgeta we oli rid gud mo olgeta we oli no save rid olsem ol pikinini).
- Step 2 |** Mekem sua everiwan long komuniti oli participate.
- Awareness hem i blong everi woman, gel, boe, man mo olgeta we oli gat special nid olsem olfala. Mekem sua information hem i kassem everiwan. Sappose samfala ino save attendem awareness for samfala rision, mekem sua oli mas gat separate miting olsem, haos to haos activity mo holdem ol nara miting blong promotem interest mo participation blong olgeta
